Mr. David Ebro
Levey Group
6575 West Loop South, Suite 425
Bellaire, TX 77401

Dear David,

Together with your team's support, we developed a 50,463 square foot world class, state of the art, laboratory / research facility inside Levey's business park.

This sleek research campus provides us with a direct path to showcase our transformational research to clients and guests.

We have found Levey's ongoing property management to be responsive, transparent and accommodating.

We appreciate the contributions you made that have contributed to our success and look forward to a long and prosperous relationship.

Sincerely,

JWC
